THE MECHANICS' BENEFIT UNION.-This is one of the oldest and most worthy Mutual
Benefit Societies in Honolulu. It was instituted, September 6th, 1852, by a number of
mechanics, who, mindful of the uncertainty
of continued health, and of life itself, united
introduced by the American Government,
but England or France are not likely to offer
any opposition to the scheme.

The Pull Mail Gardie, in an article on the
recent treaties with China, says: "It was
the foreigners' lecture to Chinase on internal
improvements, which was given by the of continued health, and of life itself, united together for mutual assistance and protection, after the manner of similar societies in other countries. By the payment of a moderate entrance fee, and dues at the rate of one dollar per month, each member is entitled, in case of sickness, to a stated sum per day for his maintenance; and the families of for his maintenance; and the families of deceased members are paid a sum of money proportioned, in a measure, to their necessities. This Society numbers among its members some of our most substantial mechanics and of the proportion of modifications for their own benefit and of the proportion of modifications for their own benefit and of the proportion of modifications for their own benefit and of the proportion of modifications for their own benefit and of the proportion of modifications for their own benefit and the proportion of modifications for their own benefit and the proportion of modifications for their own benefit and the proportion of modifications for their own benefit and the proportion of modifications for their own benefit and the proportion of the proportion of

Berlin, Aug. 22.—A meeting of two thousand persons was held last night to consider a series of resolutions favoring the suppression of convents and the exclusion of the Jesuita. After a long debate the resolutions were adopted, but a protest was made by a minority. The resolutions were not directed particularly against any confession of faith.

Paris, Sept. 2.—The Emperor to-day presided at the Council of the Ministry.

Marshal McMahon has arrived in Paris.

In the Senate, to-day, Prioce Napoleon made a speech on the Senatus Consultum. He protested his devotion to the Emperor and the Prince Imperial, and gave in his adherence to the proposed reforms, which he hoped were but the beginning of fresh reforms. He denounced as irreconcilables those who opposed the loyal application of these reforms.

"BENNETT'S OWN."-The first number of Bennett's Own appeared yesterday, and does the enterprising editor and publisher great credit, not only on account of the neat appearance of the paper from a typographical point of view, but from the interesting character of the reading matter. We are glad to notice that the paper starts with a liberal advertising patronage. We sincerely hope this enterprise may prove as successful as the publisher may desire.

At the meeting of the members of the R. H. A. Society, held at the Court House, on Saturday the 18th inst, in pursuance of previous notice; after a few pertinent remarks from the Vice President, J. Montgomery, Esq., it was unanimously,

Resolved: That the Royal Hawalian Agricultural Society ought to be dissolved : that the President and Treasuer are hereby ordered to execute a conveyance of the es tate of the said society to the Hawaiian Government, and deliver the same on condition of the government paying the Society's liabilities; and that the President on the completion of this act, is directed to surrender the Charter of the Society to the Minister of the Interior and the Society shall by that act be considered as dissolved.

### LATE FOREIGN NEWS.

European News,

London, Aug 26.—The London Rowing Club gives a banquet on Monday evening to the gentlemen forming the Harvard and Ox-

The Paris correspondent of the Times, on The Paris correspondent of the Panes, on the Cuban question says, most Spaniards are sanguine of preserving Cuba. There is disappointment at the small success in the repressing of the rebellion. The argument that Cuba is a loss and not a gain to Spain is absurd. Spain is benefitted largely by the productiveness and the commerce of Cuba. The correspondent thinks that the immediate of the commerce The correspondent thinks that the immedi-

tiles. This Society numbers among its members some of our most substantial mechanics and citizena, and is in a most flourishing condition, as will be seen from the fact that by the Treasurer's Report at the annual meeting held on Friday evening, the 17th inst., it is shown that the funds of the Society now amount to \$4,605.87; \$4,050 of which are at interest, and \$555.87 in cash on hand. At this meeting, the following officers were elected for the cusuing year:

Geo. McLean, President.

Jno. H. Thomson, Vice-President.

Thos. Sorrenson, Treasurer.

W. B. Wright, Secretary.

Of whom the President, Vice-President and Treasurer were elected Trustees. The Regular Meetings of the Mechanics' Benefit Union are held on the evening of the second Friday of each month, at the rooms of Engine Company No. 2. The membership now numbers 31.

Benlin, Aug. 29.—A meeting of two thousand persons was held has night to consider a series of resolutions favoring the suppression of convents and the exclusion of the Jesuits. After a long debate the resolutions were adopted, but a protest was made by a minority. The resolutions favoring the suppression of envents and the exclusion of the Jesuits. Paris, Sept. 2.—The Emperor to-day president and continuous desired particularly against any confession of the faith.

Paris, Sept. 2.—The Emperor to-day president and continuous desired particularly against any confession of the Ministry.

Marshal McMahon has arrived in Paris.

In the Senate, to-day, Prince Napoleon made a apeech on the Nenatus Consultum.

the life of the Emperor, or that of any other Indian Bureau. The decision was made on

the he of the Emprey political person.

The Empress and her son were very brilliantly and enthusiastically received at Lyona. The Journal Official denounces the statement that the Emperor's health is worse; on the contrary, it is much improved, though not completely restored. not completely restored. Gen. Prim has arrived in Paris.

the Harvards in American waters next year, The Telegraph says the race was as gallant and good a display of manhood as was ever witnessed in the history of rowing. The Americans lost no honor. Good judges regard them more highly than before the race. Other papers speak in a similar strain. Pants, August 28th.-The alarming ro

more recently started concerning the Emperor's health are officially denied. This morning the symptoms of his rheumatic affliction grew more favorable. An investigation has been ordered to discover the authors of the ise report.
MADRID, August 28th.—The Epoca says

that the most probable candidate for the Spanish crown is Augustus, of Portugal. Madrid, August 28th.—There will be no further trials by council of war for conspiracy against the life of Prim at Barcelons.

There is a movement on foot to make Serrano King of Spain.

General Caebo has been appointed Lieutenatt Governor of Cuba.

Maddid, August 28th.—Escalante is dend.

There is much speculation here regarding Gen. Prim's journey to Paris. It is supposed the object is to correct Osalogaza's deficencies, and confer with Napoleon on the situation.

Count Cheste has been rest.—It is supposed the object is to correct Osalogaza's deficencies, and confer with Napoleon on the situation.

Count Cheste has been rest.—It is supposed the object is to correct Osalogaza's deficencies, and confer with Napoleon on the situation.

Philadelphia. Green and Count Cheste has been rest.—It is supposed the object is to correct or supposed the object is to correct Osalogaza's deficencies, and confer with Napoleon on the situation.

count Cheste has been restored to his rank and pay on condition that he go to Caurans. He gave his people permission to remain at Puerta Real till the vessel was ready, but he broke his parole and fled to France, where by he forfeited his rank and pay.

CONSTANTINOPLE, August 28th.—Rhedire's reply to the Sublime Porte, expresses the hope that the frank explanations given will remove the aniavorable impressions. There is a feeling of hope that these appeals to the Sultan's generosity will be heard and an awered. He comes to lay his homage at the feet of the throne.

Parte, Angust 28th.—The Chinese Embassy depart for St. Fetersburg on the 18th is rank and several others were badly injured by jemping from the windows.

Belge asserts that the Emperor Napoleon is confined to his bed by a chronic malady, but the present attack is not of an alarming

It is reported from Rome that fifty Bish-ps only have declined to attend the Ecume-

prepare his delence.

LoxDon, August 30th.—The Times says
there is much anxiety in respect to French
intelligence. Napoleon is certainly III, although none spoke of any innent danger.
There was the utmost uneasiness in Parislan intelligence. Napoleon is certainly ill, although none spoke of any iminent danger. There was the utmost uneasiness in Parisian society. On the Bourse the panie was intense on Thursday, and has been so since, though the alarm is now subsiding. The news is still contased and contradictory, public opinion refuses to be assured. We have no wish to lay great strees on the Emperor's indisposition, but hardly believe the rumors are the result of stock stratagems. We don't think any good end can be served by a stribborn denial of the fact of the Emperor's sickness. It is not without reason that his physicians attend daily, though it is satisfactory to hear that he is able to transact business.

Paris, August 30th.—Regulations for the navigation of the Suez Canal are published. They state that the Canal will be open to vessels of all nationalities with a draft of less than 7½ metres.

Hosgicos, August 5th—via London.—Reports of the massacre of Christians and Missionaries in the provinces of Sachneu are confirmed. Twenty are known to have been killed by the populace. The Government of Pekkin has instituted inquiries concerning in Spalo, and will wait a more favorable opportunity.

A despatch from Ajaccio announces that the Empress is indisposed, and the Prince Theory of the Dresset, all attempts to provoke a rising in Spalo, and will wait a more favorable opportunity.

A despatch from Ajaccio announces that the Empress is indisposed, and the Prince Theory of the prosecut, all attempts to provoke a rising in Spalo, and will wait a more favorable opportunity.

A despatch from Ajaccio announces that the Empress is indisposed, and the Prince Theory of the Dressels for the favorable opportunity.

French journals have received copies of a manifesto inciting an insurrection, signed, amplifesto inciting an insurrection, signed, and provinces to favorable and provinces to favorable and manifesto inciting an insurrection, signed, and provinces to favorable and provinces to favorable and provinces to favorable and provinces to fav

sional Government there meets many obsta-cles, which render doubtful the practicability of the measures resorted to by the ailies for the pacification of the country. President Lopez holds a position of great strength in the mountains, and want of provisions com-pels the allied army to remain inactive. CONSTANTINOPLE, Sept. 1.—A messenger has left here with the Sultan's reply to the letter of the Viceroy of Egypt. It is reported that the Sultan expresses satisfaction with the Pasis's assurances of levalty, but com-

letter of the Viceroy of Egypt. It is reported that the Sultan expresses satisfaction with the Pasia's assurances of loyalty, but commands him to sell or transfer to the Turkish Government theiron-clads and breech-loaders ordered in Europe, and keep his forces within the prescribed limits, and abate taxation, publish his annual budget, and abstain from

pegotiations with foreign governments.

Pans, Sept. 3d.—In the Senate, yesterday,
Prince Napoleon made another speech, wheren he gave utterance to very liberal views, in he gave utterance to very liberal views, calling for additional reforms, including a more esimplete responsibility of the Ministry. The Minister of the Interior, in reply, protested against the ideas presented by the Prince, adding significantly that those ideas would never govern the Council as long as the present Ministry should retain the confidence of the Emperor. The discussion was continued in the Senate to-day. M. De Zegar termed the speech of Prince Napoleon scandalors. M. De Viran denied that the Senate Commission disapproves the Sesaus Commission disapproves the Sesaus Commission disapproves the Prince Napoleon desired to have. After further debate, four articles of the Sesaus Consultum were adopted.

Paurs, Sept. 3d.—It is now said that Don Carlos has returned to Paris.

Carlos has returned to Paris. The health of the Emperor is improving.

It is reported that the French Government has declined to send delegates to the Ecumen-

LONDON, Sept. 3d.—Public opinion continues skeptical in respect to Napoleon's health. The impression prevails that his real condition is concealed; this is not likely to be weakened till the Emperor himself is seen driving into Paris.
